

SCG COMMITTEE NEWSLETTER (December 2018)

Dear Club families,

Massive Thank You!

The second half of 2018 has certainly thrown up a few operational challenges, and programme disruptions for our Club, due to our Head Coach being on extended sick leave from the end of July 2018, right through to the current day.

We would like to thank each and every one of you for being patient, and believing in the Committee to provide alternative coaching, and programming resources across all Codes throughout this period, while the Committee worked with Sally, her representative, and ACC, to facilitate her return to work.

However, on Thursday 6th December 2018, the Committee received (and has accepted) Sally Hart's resignation from her role of Head Coach and Programme Manager at South Canterbury GymSports. We wish Sally all the best for her future endeavours.

2019 will see our Club embark on many new, and exciting opportunities. Some key focuses will be the introduction of more robust and supportive systems for our volunteer coaches, and more sustainable programmes to be offered across both our recreational and competitive squads.

We would love for you all to be a part of these exciting new developments!! Bring on 2019!

*****REMINDER** End of Term: Last Day of Training for 2018***

Re-enrollment information for Term 1 will be sent in mid-January 2019.

Message from Lee King

Hi folks,

It was great to meet so many of you on Sunday, and I look forward to catching up with others over the next few months. I've really enjoyed my first 6 weeks with SC GymSports. It has been largely spent meeting people, and finding out what goes on behind the Movement Centre walls!

I am in awe of the amount of time your volunteer coaches, and Committee put in to keep the wheels of the Club turning.

My first and most pressing task is to ensure we have enough coaches to run our 2019 programme, and I am currently pulling together a framework to support, and develop our incoming coaches, and continue to provide opportunities for our existing coaches.

If you or anyone you know would like to be involved in this exciting initiative next year, please get in touch with me asap. We have a line-up of new young coaches, who are keen to work with us, although we are always looking for more mature people to work on the floor to support our volunteer coaches.

It's been great to be involved in the Strategic Planning process that SC GymSports has recently undertaken, and to hear the amazing vision and passion for the development of the Club. Needless to say there is much to be done, but the whole team is on a mission to bring SC Gymsports Inc. into a new era. Currently it's rather like a large meal that can only be eaten one bite at a time, so I would urge you to be patient, and to know that there is a lot of work happening behind the scenes.

Please feel free to contact me anytime to share thoughts, concerns, or if you want to find out how you can get involved in this very exciting time for SC Gymsports Inc.

Wishing you all happiest and healthiest holidays,

Lee King

SCG Club Facilitator

Merry Christmas to all our wonderful South Canterbury GymSports families!!!!

from the SC GymSports Committee
